

Notes

There is some work to do with fortifying some systems. The regimen below was synergistically tested for balance.

- Please make note of the specific dosages listed within the remedy description below. It is ideal to start slow and work your way up to the full dose listed.

*****Some remedies may not be available for international shipping*****

It would be ideal to have your hair and saliva samples scanned again to check your progress in roughly 4 to 6 weeks.

Balancing Remedies

Up until this point, we've been analyzing the current state of energetic stressors. This section will identify remedies to bring these stresses back into balance. When scanning for balancing remedies, your samples were scanned against thousands of potential remedies including herbs, homeopathics, and nutritional supplements. We take scanning a step further by making sure the full combination of remedies synergistically test well against your hair and saliva.
